

Pediatric Airway Questionnaire

Please fill out this form as accurately and honestly as possible. Dr. Tracey Nguyen is one of the dental experts of Northern Virginia Airway Interdisciplinary Group, which addresses specific issues of breathing and the form and function of the upper airway that affect your total health and wellness. It is documented that mildest form of Sleep Disorder Breathing, SNORING impairs neurobehavioral development! Based on the wellness model, our team of highly trained and experienced medical and dental professionals, will evaluate your body as a whole, treat the underlying causes, restore your body's optimal breathing and sleep habits, improve your overall health and elevate your quality of life.

Patient Name	Date
--------------	------
